Youngsters take flight at Elba Fly-in Financial concerns expressed

The annual Elba Fly-in was held last weekend at the Elba airport, and aviation enthusiasts had plenty to check out with the many different types of aircraft on hand. As always, a highlight of the event was the Young Eagles program which allowed youngsters to take a flight with the program's aviators. Upon completion of the flight, the youngsters received a certificate of completion. Austin Johnson, situation. McMonagle made a the money going to come from" son of Glen and Kerry Johnson of Elba, is shown above preparing for his flight. SCHOOL WORK...As the student's departed the halls of the Elba City Schools last month, it certainly did not mean it was time to play for the extended contract personnel. Instead, these staff members have been working hard recently taking care of whatever tasks might need doing in order to keep the Elba City Schools looking good. Last week, several staff members were found serving as painters and steam cleaning operators as the coaches took time to clean the football stadium and the career technical instructors at the high school painted the walls along the senior high hall. With education funding being in the shape it is in, Elba High School principal Mike Williams said he appreciates his staff members who always seem willing to do whatever they can to help keep the school looking good. In the top picture, coach Bill Rayborn cleans the bleachers at Tiger Stadium with a steam cleaner while the bottom picture captures the career technical instructors applying a fresh coat of paint to the walls. The painters include (from left): Larry Goodson, Donna Clark, Martha Crawford, Bruce Sasser, Donald Lawford and Ingrid Clark.

Will we or will we not approve a statewide lottery in (vehicle vs. cow) reported on Alabama the next time around? That is the big question as reported at 1032 King, Lot 12. the governor's race heats up with this as a major issue and Burch's Trailer Court (9:07 poll takers again making projections on the outcome of p.m.). such a proposal. With the incumbent governor continually promoting the issue and his Republican opponent voicing opposition, it should make for a hot debate through the summer and fall months. Opponents should realize that the fight will be different this time around. Proposed lottery bills will surely have different wording, and it will not be as easy to shoot holes in the details. If we were writing bills for a new state lottery, it would be so squeaky clean that the moral issue would be the only argument anyone could use to gain no votes. In fact if a flaw slipped in, was found and became an issue, we would publically admit the mistake and make immediate corrections to get that squeaky clean look which is necessary to pass any sort of gambling bill. That is, of course, unless it is something the legislature BULLETIN BOARD

In Remembrance of Bennie D. Blackmon on Father & Day

I'm Free

Don't grieve for me, for now I'm free I'm following the path God laid for me. I took his hand when I heard him call I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks undone must stay that way.

I found that peace at close of day. If my parting has left a void then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah, yes, these things I too will miss. Be not burdened with times of sorrow

I wish you the sunshine of tomorrow. My life's been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief,

don't lengthen it now with undue grief. Lift up your hearts and share with me God wanted me now: He set me free.

His Wife, Children, Grandshildren & Great-Grandshildren

CHURCH NEWS

> WHAT DOES THE BIBLE SAY ABOUT? A Service of the Elba Church of Christ

The Bible is not like any other book. Every book except for the Bible that has been written has come from the mind of man. But, the Bible came from the mind of God. "All scripture is given by the inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect, thoroughly furnished unto all good works (2 Timothy 3:16-17)." Therefore the Bible is God breathed which neans it is His word by which His will for mankind is revealed. The Bible is not a dead letter, not just paper and ink, and not just something for man to rest on his coffee table to collect dust. "For the word of God is quick and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart (Hebrews 4:12)." It has the power to change a man's life by giving him the knowledge of God's will for what he must do to be saved. As Paul wrote to Fimothy: "And that from a child thou has known the hold scriptures which are able to make thee wise unto salvation through

faith which is in Christ Jesus (2 Timothy 3:15)." Therefore is any other book needed to give man what God has might be partakers of the divine nature, having escaped the corruption that is in the world through lust (2 Peter 1: 3-4)."

ing: "Now the parable is this: The seed is the word of God (Luke 8:11)." This means then that only when the Bible, which is the theme will be "Faith Mountain". Grade. For more information, then he is trying to save his soul by some other means than by the

Hello, I'm Tom Dyess,

a candidate for Coffee County School Board District One. In 1982 I was appointed to finish an unexpired term on the Board. I later was elected to that same position. At the end of my term, I chose not to run for reelection because of job duties that took me away from Coffee County. During my 8 years of the Coffee County School Board I did not miss any regularly scheduled meetings. I have experience serving the people of District One. I am asking for your continued vote of support on June 25. Please remember to go to the polls and vote for

### During County BOE meeting SAFE School's first year considered a success

the storm moved out of the area.

Please See BOE, Page 6 superintendent Daini Sees weys with local administrators.

not aware of any time that has - The Elba City Council meet: Monthly bills totaling

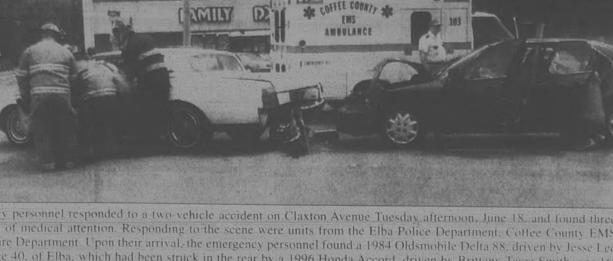

AFTERNOON THUNDERSTORM...An afternoon thunderstorm swept through the Biba area last Friday, June 14. The thunderstorm supplied the area with some much needed rainfall; however, the rain fell so hard and quickly that the storm drains couldn't keep up on some streets. Above, city of Elba employees keep an eye on the draining water along the streets located next to the First Baptist Church

while the smaller picture shows Brandon Byrd making use of the water as he plays in the puddles after
